- Busy Street with Sidewalk
- Busy Street with no Sidewalk (not recommended)

Community Facilities

- Community Center
- Library
- Police Station
- Fire Station
- Park

* Crossing guard and school patrol locations are subject to change.

WALK AND RIDE SAFE!

Walking and biking is a fun, healthy and sustainable way to get to and from school.

USE THIS MAP TO PLOT THE SAFEST ROUTE FROM YOUR HOME TO SCHOOL

- ✓ Pick streets where there are sidewalks or paths separated from traffic. These are the solid lines on the map.
- ✓ When you can, choose (green) neighborhood streets instead of (orange) busy main streets.
- ✓ When biking, use trails, neighborhood streets, and protected bike lanes.
- ✓ Cross busy streets where there are traffic signals, stop signs, crossing beacons, school crosswalks, or crossing guards.

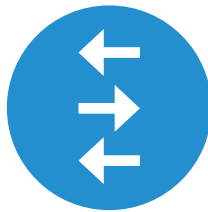

WALKING SAFETY TIPS

Pay attention. Don't be distracted by your cell phone or headphones.

If there's no sidewalk, walk on the left side of the street, as far from traffic as possible.

Look left, right, and left again at all intersections.

Make eye contact with people driving before crossing.

Walk, don't run across the street.

Follow the instructions of crossing guards and school patrol.

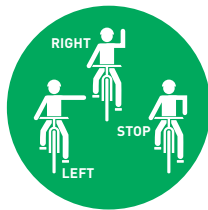

BIKING SAFETY TIPS

Gear up. Always wear a helmet and use bike lights.

Pay attention. Don't be distracted by your cell phone or headphones.

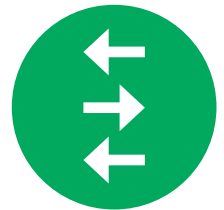

Ride predictably and use hand signals when stopping and turning.

Ride in the same direction as traffic when on the street.

If riding on a sidewalk, ride slowly and yield to people walking.

Look left, right, and left again at all intersections.

Walk your bike across busy streets.

Obey all stop signs and red lights.

This school walk route map is updated annually. Please inform your school principal or school safety committee if you have any suggested updates.
